

So Cal ASA Coaching Schools

So Cal ASA is proud to introduce the 7th year of the Coaches Training Program. The Program is developed and designed to provide softball coaches of all levels – from beginning coaches to experienced veterans – an opportunity to further their knowledge of the sport of Softball. Our clinics are practical guides to the everyday situations you will encounter as a youth softball coach. The program utilizes a participation format to teach coaches how to identify skills of the game, isolate the players mechanics of the skill and to evaluate and improve the players mechanics. After attending one of the Coaching Schools, you will be well prepared to coach a youth softball team.

ASA/ACE Certification

ACE certification is now being offered at each clinic site. So Cal ASA Staff will administer the ACE certification from 2:30pm to 3:30pm following each of the Coaching Schools. The cost is \$25. ACE certification includes: ACE tests, insurance, a coaching manual, certificate and a wallet card.

Please note that the ACE is a separate process & fee from the So Cal ASA Coaching Schools. We hope that you will choose to complete both steps of the process.
