Meet it and Beat it!

We need walkers, pledges and support staff! Please let us know if you would like to participate. You can call or e-mail the site coordinator, or you can just show up. Please print a pledge form from www.just-softball.com and start raising the needed donations. If a donation is by check, it should be made payable to CSU Fresno Athletic Corporation with "Rachael's Fund" written on the memo line.

Rachael Donaldson, a resident of Temecula and a Junior outfielder for Fresno State has been diagnosed with Cancer, it is a Stage 4 soft tissue Sarcoma. She has completed her first week of Chemo and she is scheduled for her second round of treatment on Sept 29th. Rachael will have a very hard long road ahead of her to beat this cancer. She is going to need lots of love and support from everyone. Her Fresno State family is amazing, they are helping Rachael and her family like no other. She will have the best care from the doctors at UCSF and she will have all the help and love from the Bulldog family. Rachael's mom, Sandy, is a single parent of 5, she is also involved in the softball world. She has been a high school coach, a Junior college coach and a travel coach. She also gives lessons in the Temecula area. Well all that had to stop when Rachael got sick. Sandy is having to commute from Temecula to Fresno and San Francisco to be with Rachael.

Rachael is a strong girl. Sandy is a strong mom. No matter how strong someone is, it helps when you know you have support. Can we let Rachael and Sandy know how much we all care?
